## Peter Alden as Elvis

August 18th • \$25

While Peter has performed countless lead roles in both dramas and musicals it was while involved in the production of Bye, Bye Birdie that Peter zeroed in on a calling. As you may know, the musical focuses on an Elvis-style singer being drafted into the army, and this role started Peter on his lifelong journey as an Elvis tribute artist! He has worked for years to perfect his performance, in all ways – from vocal stylings to mannerisms, from costuming to stage presence – and fans all over the world who've seen his tribute not only appreciate Peter's talent and dedication, but rank his tribute to Elvis as one of the absolute best in the world!
