Citrus County Parks & Recreation and the Friends of Parks and Recreation will once again be hosting our annual Christmas Event! Come join members of your community for a fun-filled, festive day that will benefit families in need of a tree this holiday season.

Bring your lights and decorations. Your adopted tree will be waiting for you to decorate. The trees will then remain on display before being delivered to families in need.

Parks & Recreation also offers the opportunity to adopt an artificial tree. This donation on your behalf will include an artificial tree, lights, and ornaments. These trees will not be displayed, but will be delivered directly to the family's home for them to decorate together. Deliveries will begin December 4th.
