Subject: Unincorporated Area North of Crystal River Water Line Extensions

Alternate Key # - Site Address

Dear Property Owner:

Please be advised that on October 25, 2016, the Board of County Commissioners will be considering approval of a Florida Department of Environmental Protection State Revolving Fund Grant for installation of water lines to provide water service to your property. The project is intended to alleviate a documented public health issue associated with high levels of arsenic in private drinking water wells in the area.

The meeting begins at 1:00 PM in the Board of County Commissioners chambers, 110 N. Apopka Avenue, Room 100, Inverness, FL 34450. All interested parties are invited to attend.
