**POLICY:**

Members of the Citrus County Board of County Commissioners shall serve on boards or committees in which federal laws, federal statutes, the Florida Administrative Code, or county ordinances require a commissioner to become a member on those boards that have regional impact or those boards deemed of importance to the County. It shall be the policy of the Board of County Commissioners that a commissioner who serves as a member of the Board of Directors or an officer of any civic association, homeowners association, or other not-for-profit organization, which receives funding from or is regulated by the Board of County Commissioners shall disclose that service prior to any vote related to funding assistance. This policy is being instituted to provide transparency of commissioner service within private sector boards when the Board votes on an issue.
