Recreational Facilities****ORIGINATING DEPARTMENT:****Department of Community
Services****Page 1 of 9****POLICY:**

To establish rules and regulations relating to the use of County recreation facilities, playgrounds and athletic fields that falls under the jurisdiction of the Department of Community Services

DEFINITIONS:

A. Unless otherwise expressly stated, whenever used in this Administrative Regulation, the following terms shall respectively mean and include each of the meanings as set forth below:

1. DIRECTOR – shall mean Director of Parks and Recreation for Citrus County, a Division of Community Services.
2. PARK – shall mean all parks, playgrounds, athletic fields, swimming pools, beaches, all other recreational facilities, nature preserves, roads, and entrances and approaches to parks or parts thereof.
3. PERMITS – shall mean any written authorization issued by or under the authority of the Director for a specified park privilege or to permit the performance of a specified act or acts in any park.
4. USERS – shall mean any individual, group, organization or business that enters or utilizes a County Park, recreational facility or County owned or leased grounds.

CONSTRUCTION:

A. The provisions of this Administrative Regulation shall be construed as follows:

1. Any term in the singular shall include the plural.
2. The prohibition of any act by this Administrative Regulation shall be deemed to include the prohibition against the aiding and/or abetting, directly, or indirectly, of such act.
3. The provisions of this Administrative Regulation does not apply to acts performed by employees of Citrus County while in the line of duty or by any person, agents or employees under contract to or in cooperation with the County as established within their contract or service agreements.
4. These rules and regulations supplement municipal, county, state, and federal laws and codes. Should a conflict occur, the law shall prevail over this AR.

TERRITORIAL SCOPE:

- A. These rules and regulations shall be effective within all County Park property and shall regulate the use by all persons:
1. The Director is authorized to establish additional rules and regulations relative to the use of any or all Parks as warranted by geography, topography, infrastructure, use or conditions.
 2. Users of the County Parks shall abide by all rules and regulations established by the Citrus County Board of County Commissioners, and shall obey all orders and directions of the Park officials or their designee's.
 3. Any violation of the rules and regulations established by the County shall be punishable by law, and may subject the violator to the immediate revocation of privileges and the cancellation of permit to County Parks.
 4. All persons using County Parks do so at their own risk.
 5. The County assumes no responsibility for loss of or damage to personal property.
 6. All personal equipment and effects must be removed on a daily basis before the closing of the Park. Any equipment or effects left after closing will be removed by Park officials and will be disposed of pursuant to applicable regulation or policies.

GENERAL REGULATIONS:

- A. Bathing: No person shall wade, swim or dive in any park waters except at such times and such places designated for such purposes. In every area of a park including designated bathing areas proper clothing in accordance with State and local law shall be worn. County staff has the right to request a patron to wear additional clothing or leave the park if the patron declines.
- B. Camping: No person shall tent, camp, erect, or maintain a shelter or recreational vehicle in any Park except in any areas designated for such purpose or pursuant to a permit.
- C. Commercials, Films, Videos: No person or organization shall produce any commercial film or video for advertisement, cultural, documentary, educational or entertainment purposes without prior approval by the Board of County Commissioners. Approval is contingent upon the execution of an indemnity agreement and proof of acceptable insurance.

D. Concessions:

1. All requests to establish concessions with any Park are subject to review and approval of the Director and in accordance with the concession policies approved by the Board of County Commissioners.
2. Concession operators must comply with all federal, state and local laws and codes.
3. The County has the right to permit concessions within Parks or County facilities. Fees may be charged to concessions as a condition of contract.
4. The Director reserves the right to regulate the number of like vendors based on space available and scope of services needed at any location. The Director also will identify the number and location of concession sites at various parks throughout the County on an as-needed basis.
5. Concession operators must furnish copies of all current operational licenses and permits to County staff along with the concession permit request yearly. Additionally, concession operators must furnish a certificate of insurance naming the **"Citrus County, Florida, a political sub-division of the State of Florida"** as "additional insured." The certificate must show evidence of a comprehensive general liability policy with minimum limits of \$1,000,000 per occurrence and automobile liability insurance with a combined single limit of at least \$300,00 for bodily injury and property damage.
6. Media Contact is to be coordinated with the Parks and Recreation Director prior to being released.
7. The Director reserves the right to regulate the type of vendor sales that are permitted for the term of the concession agreement.
8. The County reserves the right to assign user fees when permits are issued for County parks, boat ramps, pier's, and trail heads over 2 (two) hours or when users are charging fees for goods and/or services.

E. Fires: No person shall build or maintain a fire except in a suitable fireplace or barbecue grill provided for that purpose. When permitted a fire shall be continuously under care and direction of competent person. Upon conclusion of use the fire will be extinguished fully. No person shall discard any matches, cigars or cigarettes within any Park except in proper disposal containers.

F. Grills and Fryers: Upon approval of the Director, persons or organizations may bring portable barbecue grills into the Park where such facilities do not have grills sufficient for their purpose. Use of portable grills must comply with the safety guidelines and setback requirements as established by the Citrus County Sheriff Fire Rescue.

All charcoal or wood burning grills must be at least 10' from any structure and out of the way of all traveled pedestrian areas. Upon the conclusion of the event, all fire is to be extinguished and all coals are to be thoroughly doused with water. Coals and ashes are to be removed from the Park and not deposited in garbage receptacles, buried or dumped on the ground. Gas grills and fryers must be kept a minimum of 50' from any building or structure in the Park and away from traveled pedestrian areas. Oil and grease from fryers is to be used and then removed from the Park. No oil or grease is to be deposited on the ground, buried poured into drains or poured in garbage receptacles.
