GENERAL REGULATIONS:

- A. **Commercials, Films, Videos:** No person or organization shall produce any commercial film or video for advertisement, cultural, documentary, educational or entertainment purposes without prior approval by the Board of County Commissioners. Authorized activities will be limited to those referenced within the permit. The violation of any term or condition of a permit or of any law, code, rule or regulation by the User or the User's representative or employees, shall constitute grounds for revocation of the permit by the Director or an authorized representative, whose action therein shall be final. In case of revocation of any permit, all monies paid for on account thereof shall at the option of the Director be forfeited to and retained by the County; and the User, together with the User's representatives and employees who violated such terms and conditions, shall be jointly and severally liable to the County for any damages and loss suffered in excess of the money so forfeited and retained. - G. Permit Conditions: The following conditions as described on the permit will be enforced by the Division of Parks and Recreation.
1. The event must be conducted in approved areas only.

Where insurance requirements are mandated, as outlined above, the User must provide the County with an original Certificate of Insurance a minimum of ten (10) working days prior to the event date. Depending on the event, insurance limit and coverage requirements will vary per request.
