Citrus County Extension links the public with the University of Florida/IFAS delivering educational programs to meet the needs of the residents of Citrus County. Our Extension Agents have access to the latest research and technology to address youth, family, community, environmental and agricultural needs. Educational programs are available to the general public and are open to everyone. Our Extension speakers prefer to present at the start of the meeting or at a time certain. If your group/organization would like to request a speaker, please provide the following information:
