As you know, all contractors and building inspectors must acquire 14 hours of continuing education every two years to maintain their licenses. Every two years there is an eight-month overlap period in which any CEU classes taken will apply to both contractor licenses as well as inspector licenses. The Citrus County Building Division has scheduled through the Contractors Institute, 14 hours of CEU training to be taken during this overlap period.

By way of this email, we would like to invite all interested contractors to join us here at the Lecanto Government Building to attend these free training classes. The training will be held on **Monday May 7<sup>th</sup>** and **Monday May 14<sup>th</sup>** from 8:00 am to 4:00 pm., at the Lecanto Government Center, 3600 W Sovereign Path, in Room #280. All inspections and plans review will be suspended on those two days.

If interested in attending, please RSVP directly to [diana.moyer@citrusbocc.com](mailto:diana.moyer@citrusbocc.com) *no later* than May 1, 2018.
